Nature obsession with our plants! Place it anywhere to add a touch of the tropics to any room in your home.

SELLING TIPS

- Plants collection has been **inspired by the latest trends in decoration**. We transformed the trendy leaves into different rugs, which are also machine-washable.
- They are perfect for any corner at home: **both for children & grown-ups**.
- Green is the main color in this collection and it has been inspired by the **Greenery Pantone**, which has been chosen "**Color of the year 2017**".
- The Tropical design has **fringes on two sides**, which are longer than the ones from other collections.
- The Monstera Leaf has been **selected by Milk Magazine for the first Tendence Kids** (Kids trends) circuit at next Maison & Objet trade show.
- These tropical leaves and botanic plants are **the perfect touch of freshness** for any corner at home.
- You can **mix different designs from this collection** to create an inviting, modern atmosphere.
- **They are washable**: there is no problem if they get dirty, because you can wash them at home.
- Big size requires a **9kg machine** for washing.
- **They are safe**: you can keep them always clean, so children can be in direct contact with the rug.
- They are **handmade**. Every rug is elaborated carefully and individually, so each one is unique. **No two are alike**.
- They are made out of **100% natural cotton**.
- They are **soft, cozy** and bring warmth to any room. Natural cotton is fresh in summer and warm in winter.
- They are lightweight (compared to traditional rugs) so we can **easily move** them from place to place.
- You can **place them everywhere**: from your porch to your room.
- Lorena Canals is the **pioneer of the concept of washable rugs**, which has revolutionized the rugs sector and has been gladly accepted by an increasingly practical and demanding society.
- There are **hanging samples** available.
- You can match this collection with our **new washable cushions, blankets and baskets**, which are inspired by nature too.
- Lorena Canals offers the **optimum cost-benefit ratio**.
- The brand has also at your disposal **anti-slip underlays** for the washable rugs.
- Lorena Canals is **environmentally friendly**. Non-toxic dyes and 100% natural raw materials are used.
- Lorena Canals undergoes extensive **quality controls**. ISO 9001, ISO 14001, ISO 18001 and AITEX certificates obtained.
- Lorena Canals is **socially responsible** and controls non-child labor. The company does not employ child labor in none of its activities.
- All of our rugs include the **signature of the designer** on the back, which certifies their quality and authenticity.
- We have at our customers' disposal a **B2B system** so they can manage their orders by themselves.
- Our customers can choose the **Drop Shipping** service to deliver their orders.
- With the profits from sales, Lorena Canals finances the education of over 100 children in northern India, giving them the opportunity to decide their future. By purchasing their rugs **you are helping Indian kids to go to school**. Discover the **Sakûla Project** by Lorena Canals.

Nature in its purest form! This design is a breath of fresh air for your home..

SELLING TIPS

- Add a **tropical** touch to your home! This model is inspired by nature and has a simple but detailed design for added realism and originality. In addition, its natural color easily matches **simple, classic or modern interior decorations where plants and nature take center stage.**
- The background **color** is that of **natural cotton**, since no dyes are used, and black. The black embroidered silhouette and the detail of the embroidered lines simulate the central and secondary veins of the Monstera leaf, to create a completely original and trendy cushion.
- This cushion suits **children's rooms** as well as **other rooms of the house.** You can put several together on sofas, chairs, beds and even on the floor with the washable rugs.
- This cushion is the **perfect complementary piece** to our **Plants washable rugs** as well as the **beige and black Bereber rugs**, and our **new beige Trace rug.** The new **Baby wall hanging**, with different figurines, transforms the room into a universe about to discover shapes and textures. The natural color and black lines make this cushion very decorative and useful, easy to match in any **classic and original decor, for children and adults alike.**
- This is the **first time** Lorena Canals launches into the market washable cushions in embroidered compact fabric in 100% natural cotton.
- **They are washable:** there is no problem if they get dirty, because you can wash them at home.
- You can put them into the washing machine **without taking out the filler.** It's easy and practical!
- **They are safe:** you can keep them always clean, so children can be in direct contact with them. In addition, they're safe for children since they don't have **zippers or buttons.**
- **They are handmade.** Every cushion is elaborated carefully and individually, so each one is unique. No two are alike.
- They are made out of **100% natural cotton** and **non-toxic dyes**, which which are made through an artisanal process. Filling 100% polyester.
- They are **soft, comfy** and bring warmth to any room. Natural cotton is fresh in summer and warm in winter.
- Lorena Canals is the **pioneer of the concept of washable rugs and cushions**, which has revolutionized the rugs sector and has been gladly accepted by an increasingly practical and demanding society.
