## SELLING TIPS

- Lorena Canals has **returned to its essence**; with this Pyjama Party Collection, she is reinventing the classics.
- **A dreamy Pyjama Party** where candy and marshmallows are endless; where rugs, cushions, baskets, everlasting garlands, and kid's puffs create an imaginative world.
- Pyjama Party is the perfect collection for **every step throughout childhood**. From babies to older children.
- The collection's color palette mixes pastel and vintage colors; a one-way bet that makes every product **easy to mix and match**. Ideal for every kid's room!
- **The new rugs are unique** with its details of bereber, polka dots, tassels, and impressive braids, giving beauty and grace to the design.
- Kim, Noah, and Lou are the perfect hosts of this Pyjama Party!
- Kim and Noah are rectangular rugs and are made in soft tones, mixing different shades of white color and also vintage nude.

- Lorena Canals continues to create white toned rugs because they are all washable! **White and washable worry free rugs!**
- The rugs' finishes are handmade; with three tassels in one side and two braids on the other giving a funky look to the Pyjama Party rugs.
- New concept: **Sleepover pouffe Lou, a 2 in 1 product**; meeting the warmth of a rug and the comfort of a pouf. Soft, flexible and **easy to move** from one place to another within the house, even to your garden! The popular choice of the older infants and toddlers. **Adaptable**, the filling inside is removable to become a rug; practical to go on the washing machine.
- Besides this, a wide collection of **accessories have been designed to match with the rugs**. Baskets, cushions, pouffes, and garlands...
- One of the must notables accessories of this collection is the **large variety of pouffes**.
- **The Siesta Pouffe** in pearl grey and simple pattern to place anywhere in the house. It is perfect for the little ones up to 12 years. The pompon at the top makes this puff easy to move from one place to another. What better than taking a siesta on this comfy and soft pouffe?!
- **Four pouffes** in vintage tones that perfectly match with the rug of your choice. Stackable, thanks to their functional size 20x50x50 cm it doesn't take much space. With them, you will always have an extra place!

- **Mini pouffes** are an excellent choice for the smaller ones at home. Their colors and shapes are inspired in candies and bonbons, a delightful detail that will give a magical touch to their playroom.
- Pyjama Party offers a wide option of playful **knitted cushions made 100% natural Oeko-tex cotton** with a polyester filling. Without taking out the filler, throw them in the washer!
- **The candy box baskets are practical baskets** to hide all of your secret and valuable treasures from candy to stickers and legos! They come in different sizes and two different color tones Light Blue and Vintage Nude, with their details in White or Vanilla.
- The baskets finishings are two handmade tassels, and have a basket cover, making them perfect to store objects and keep the children's room tidy and clean.
- **The Maria Basket** is a brand-new basket by Lorena Canals. The braided cotton in oval shape in Pearl Grey with white and vanilla details, is the perfect one to hang in the crib. **A practical basket that will help you to have ready all that your baby needs.** Diapers, bottles... (For lightweight storage-up to ½ kg)
- **There is no party without the garlands.** Two models of garlands in different vintage colors. Finishings with cotton pom poms a blink to the joyful candy necklace, the neverending garlands of **5 meters long!**
- **All our garlands come inside a Kraft box perfect to give away and easily expose in store.**
- All Pyjama Party collection perfectly combines with all of the others collections by Lorena Canals; mix and match with Back to Basics, the classics stars, polka dots, and Azteca Collection.
