LET'S EXPLORE THE WORLD!

Inspired by our successful Vintage Map rug, the Pouffe World Map comes as the perfect accessory to match it and an essential addition to the Back to School collection. A soft earth globe for kids to explore the world while also serving as improvised seating at play time.

- Round pouffe covered with a light blue recycled cotton canvas base and decorated with the oceans' names, embroidered in dark gray, and with the continents tufted in short pile cotton
- In vintage colors such as light gray, linen and natural, to harmonize with the matching rug.
- Handmade in India out of fabrics tinted with non-toxic dyes.
- The cover is removable through a zipper and machine-washable at home.
- Together with the lightweight polystyrene pearls, part of the filler comes from recycled PET-bottles.
