Practical, affordable, adorable!

Nine of *Lorena Canals'* most iconic designs make a comeback in cute mini versions bringing decoration trends to kids' spaces at good prices.

High style at mini prices

The new *Mini Ones* rugs offer the **same quality in a smaller size** – also **handmade**, in **all-natural cotton** and tinted with **non toxic dyes**. Trendy designs in mini sizes, which can be carried anywhere in the small **cotton backpack** they include.

The *Mini Ones* allow you to **improvise small play corners** for children, **in or out** the house, and are a very **versatile decoration accessory** to add a touch of coziness to any space. These **practical, manageable and washable mini rugs** can be used alone or **layered with their larger versions**. They can be placed at the children's **bedside** for a soft tread when they wake up, improvise **play spaces** around the house or decorate **their favorite corner** where they can let their imagination run wild.

Nine designs to choose from or... to collect!

Just like their larger versions, *Mini Ones* come in a **wide choice of designs, colors and shapes** for everyone to find their pick! The collection is made up of **nine different designs**, each packed in a **cotton drawstrings backpack** to easily **carry them to and fro**, or for **easy storage** for a shifting decor.

The *Mini Ones* collection is, above all, a **budget-friendly** option to keep your home **cozy and stylish at mini prices**.

They are **ideal as baby rugs** for decorating the nursery or to be used as an activity mat. They provide a **clean and safe space for babies and toddlers** to play on since they are machine washable and fuss-free.
